Cougar Sighting

This morning, just before school bus time, three cougars were seen on Big Lake Road close to Ostrom's bus stop. Please be aware of this and exercise caution where your children are concerned.

CHAAPS

We have signed up to participate in this Literacy & Education Program which promotes reading and other academic skills with the assistance of dogs. A detailed information sheet as well as a permission form and photo release form are attached.

Please complete the permission forms and return to the school.

Phone Tree

As winter is quickly approaching, we have attached an updated phone tree. If the school bus is cancelled for any reason, the phone tree will be put to use. Please discard any old copies and keep this current copy in an easy to find place. Please read the instructions on the bottom of the form. If you have any concerns or questions regarding how the tree works, please contact the school.

Halloween

We are very excited to see all the costumes tomorrow. Please remember to send any colouring contest entries with your children tomorrow as well as any pumpkins carved at home. This is also a hot dog day, so children may purchase their lunch if they would like to.

As we have an abundance of pumpkins this year, thanks to Richard & Donna Shepherd who have grown and donated some to our school, your child may have chosen to bring an extra one home, this does not necessarily need to come back.
